

TELA

2021 AW COLLECTION

2021AW SEASON CONCEPT

RELAXED TAILORING is the iconic payoff of the brand, but this season becomes also a trend. Suiting as a cool city uniform and bourgeois attitude will make the difference.

The inspirations are nature, on one side, for its effortless feeling and the soft tactility of natural fabrics. On the other side, Jeanne Bessette Kennedy, the '90s muse of both fashion and society, impresses the canvas of this collection thanks to her timeless minimal elegance.

Other '90s references are drawn from Peter Lindbergh and his well known shooting "Al Capone" for Vogue Italia 1991.

Here, masculinity of men' s suiting becomes charming and powerful behind a New York city skyline.

RELAXED TAILORING は、ブランドの象徴的なペイオフですが、今シーズンはトレンドにもなっています。

クールなシティユニフォームとしてのスーツと、ブルジョワ的なアティチュードが違いを生み出します。インスピレーションの源は、自然であり、そのエフォートレスな感覚と天然素材のソフトな触感です。

ニューヨークのスカイラインを背景に、メンズスーツの男らしさが魅力的で力強いものになっています。
