**500 BLACK****749 PEAT****08 3L RIPSTOP** UP TO -10°size **46 / 62**

Tessuto triplo strato ripstop 100% Poliammide.

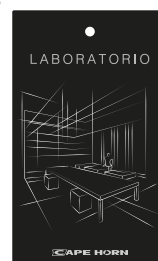

La membrana interna assicura impermeabilità di 10.000 mm di colonna d'acqua e traspirazione di 5.000 gr/m2 in 24h.

Durante la tessitura filati di rinforzo più spessi e resistenti vengono intrecciati a intervalli regolari in un motivo a tratteggio incrociato per offrire un'elevata resistenza allo strappo e alla lacerazione.

*Three layers fabric ripstop 100% Polyamide.*

*The inner membrane gives waterproof with a 10.000 mm rating and breathability rating of 5.000 gr/sq.m in 24h.*

*During weaving stronger and thicker reinforcement yarns are interwoven at regular intervals in a crosshatch pattern to give high tearing and ripping resistance.*

**POLYTECH** 100% Polyester technical fabric with KX2 finish which gives the fabric a 10,000 mm column waterproofness, transpiration of 10,000 gr/m2 in 24 hours and wind resistance.

#### CARATTERISTICHE / FEATURES

**Cappuccio staccabile.** Imbottitura in piuma certificata JIS® FILLING POWER 800.  
**Detachable hood.** Down fill JIS® certified FILLING POWER 800.

cod. **B1540**

art. **MARTIAL**

**500 BLACK**

**749 PEAT**

**08 3L RIPSTOP**

**UP TO -10°**

size **46 / 62**

**3L RIPSTOP** Tessuto triplo strato ripstop 100% Poliammide.

La membrana interna assicura impermeabilità di 10.000 mm di colonna d'acqua e traspirazione di 5.000 gr/m2 in 24h. Durante la tessitura filati di rinforzo più spessi e resistenti vengono intrecciati a intervalli regolari in un motivo a tratteggio incrociato per offrire un'elevata resistenza allo strappo e alla lacerazione.

**3L RIPSTOP** Three layers fabric ripstop 100% Polyamide.

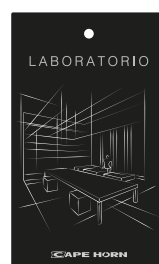

The inner membrane gives waterproof with a 10.000 mm rating and breathability rating of 5.000 gr/sq.m in 24h.

During weaving stronger and thicker reinforcement yarns are interwoven at regular intervals in a crosshatch pattern to give high tearing and ripping resistance.

#### **CARATTERISTICHE / FEATURES**

**Cappuccio fisso. Interno staccabile.** Imbottitura in piuma certificata JIS® FILLING POWER 800.

**Fixed hood. Detachable inner lining.** Down fill JIS® certified FILLING POWER 800.
