size **38 / 54**

3L STRETCH FABRIC Tessuto triplo strato nylon elasticizzato 88% Poliammidica 12% Elastam dall'aspetto opaco. Trattamento idrorepellente e antispiumaggio. La membrana interna assicura impermeabilità di 5.000 mm di colonna d'acqua e traspirazione di 5.000 gr/m² in 24h. Il terzo strato è un jersey 100% poliestere.

3L STRETCH FABRIC Three layers fabric stretch nylon 88% Polyamide 12% Elastane with matte look.

Water-repellent and down proof treatment. The inner membrane gives waterproof with a 5.000 mm rating and breathability rating of 5.000 gr/sq.m in 24h. Third layer is a 100% polyester jersey.

CARATTERISTICHE / FEATURES

Cappuccio fisso. Pelo murmasky staccabile. Imbottitura in piuma certificata JIS® FILLING POWER 800.

Fixed hood. Detachable murmasky fur. Down fill JIS® certified FILLING POWER 800.
